# WINE SHIPPING POLICIES

## Onsite

Due to changes in shipping regulations, the states in blue are states we can ship to. Unfortunately, we are unable to ship vodka, brandies, and beer. We MUST have your Driver's License on file before you can place your order. Your final order must be in multiples of three [three being the minimum]. You may mix any wines or dessert wines to reach the minimum. We cannot ship alcohol to PO Boxes or APO/FPO addresses. Standard delivery for shipping will arrive within seven to 10 days, following credit card authorization.
